1st Communion Information!!!

Dear Parents,

We know that you are all eagerly looking forward to your child's First Holy Communion, also known as First Eucharist. Here is the packet that you've been waiting for!

Please complete and return your registration form as soon as possible, and keep the rest of this information in a safe place. Be sure to fill in all information, including parent information and baptismal information.

*We will send reminders out via email about the parent meeting in August. It is expected that all parents will make it a point to attend. Please note that this meeting is really intended for parents only; **HOWEVER**, if you are not able to make arrangements for your children's care that evening, we would prefer that you bring them along rather than miss this meeting.*

We would appreciate receiving a photo of your child's baptism, or if one is not available, a baby picture will suffice. Photos can be sent electronically to joni@sscasmus-damian.org at your earliest convenience, but no later than Aug. 17th (this is FOR something special at the parent meeting). Be sure to identify your family and your child's name in the email. If you prefer, copies of photos can also be dropped off in the parish center during normal business hours, or mailed to us at the above address.

Don't forget to register for Faith Formation classes also, unless your child is enrolled at a Catholic day school.

See you in August for the parent meeting!!!

*Mrs. Joni K. Smith
Certified Lay Ecclesial Minister
Parish Catechetical Leader*
